

**DATE:** December 8, 2016

**JOB TITLE:** USAID Development Assistance Specialist (President Malaria Initiative Specialist)

**SUBJECT:** Job Vacancy Announcement – FSN/2016/18

**GRADE:** FSN-10 (with the possibility of hiring the employee at the lower grade)

**TO:** All Qualified Applicants

**CLOSING DATE:** December 30, 2016

---

**Note: Due to the number of applications we receive, only applicants who have been short listed will be contacted by USAID.**

## **1. BASIC FUNCTION OF POSITION**

The President's Malaria Initiative (PMI) accounts for 40 percent of the Health Office's portfolio (approximately \$24 million annually). With a national scope, implemented through USAID's bilateral partners and a range of innovative government-to-government (G2G) agreements, the PMI program has a considerable and growing workload, particularly as its G2G programs have expanded to be larger than many traditional bilateral mechanisms. The new advisor will provide important coverage for these growing and innovative activities; s/he will be seconded 50 percent to the National Malaria Control Program, to help support implementation.

This position is for a Foreign Service National (FSN) professional to support the Mission's programs under PMI. The jobholder assists the USAID and Center for Disease Control (CDC) President's Malaria Initiative Resident Advisors as well as the PMI Technical Advisor in all aspects of management of the malaria.

## **2. MAJOR DUTIES AND RESPONSIBILITIES**

The PMI Technical Expert for the Malaria will increase the malaria team's capacity to implement its ambitious and growing program. The job holder will assist the existing PMI staff in maintaining relationships with partners (other donors, implementing partners, and the GOS) and ensuring smooth planning, implementation, and documentation of the activities and agreements in the malaria portfolio. The incumbent will participate as necessary on behalf of USAID in meetings, conferences and outreach related to malaria reduction in Senegal and maintain communication with colleagues in AID/Washington and with other USG offices in Senegal. Specific additional responsibilities include:

- *Provision of technical assistance and backstopping* (45%)
  - ✓ Advises the MOH central and district program managers, and local government officials, on PMI and informs them of any alternative approaches for attaining program objectives.
  - ✓ Assists in the design, planning and implementation of malaria prevention and control activities consistent with USAID's strategy and with the National Malaria Control Program (NMCP) and PMI.
